Victorian burner template, print at 100% (actual size) - sheet 1 of 2 (left half)

Print both sheets on A4 landscape at "Actual size / 100%" (not "Fit to page"). Check the scale bar measures 100 mm.
Join: overlap the sheets so the circled crosses and dashed lines match exactly, then tape.
Joined size: 330 mm wide x 110 mm high.

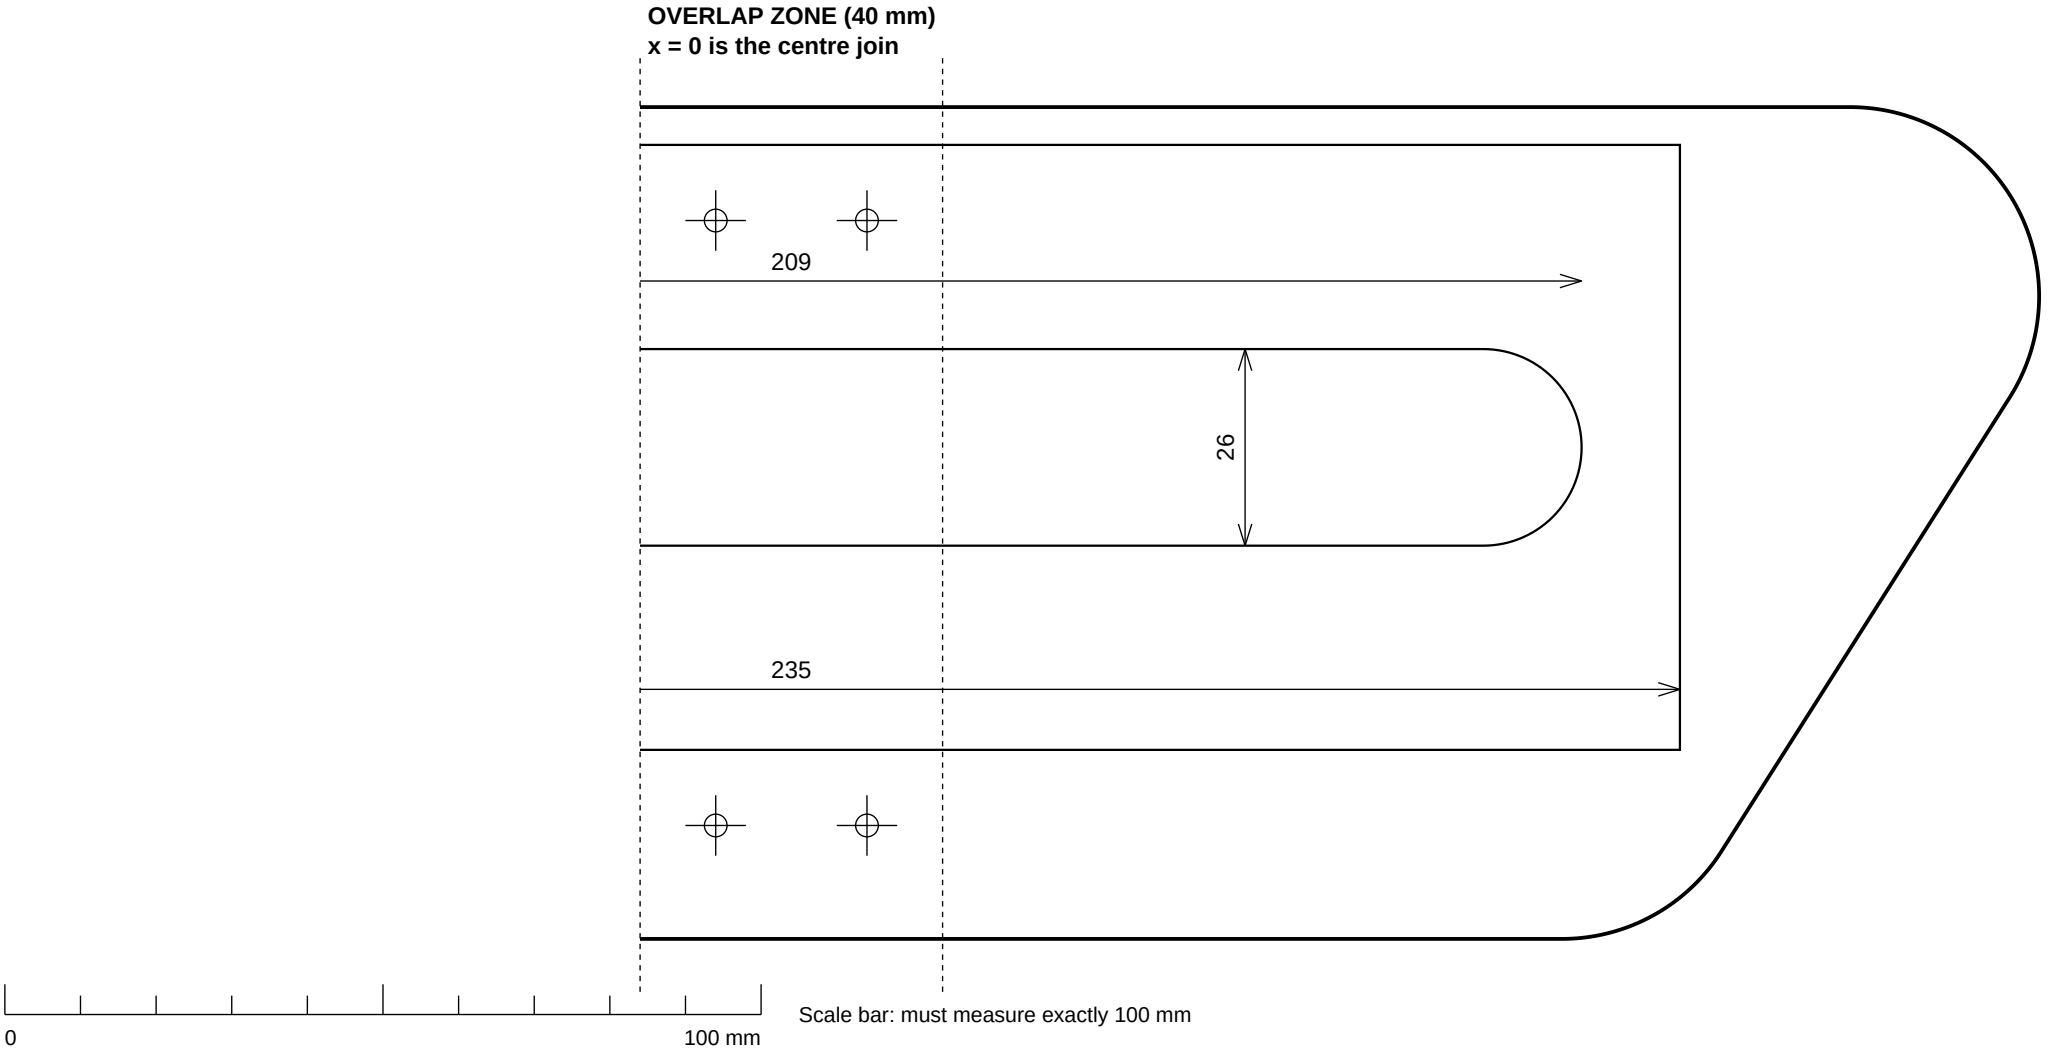

Scale bar: must measure exactly 100 mm

Physical model dimensions should be verified against cut out dimensions BEFORE installation begins to confirm tolerances align.

Outer 330 x 110. Blue rectangle 235 x 80. Inner opening 209 x 26. Bottom edge 203.79. R25 corners.
